

Ladies and Gents Night Out Cosmetic Explanation Sheet with Event pricing

RHA—Designer filler that works with the natural motions of the face. Call for event pricing

Juvederm – filler used to enhance lips, minimize folds around mouth. Lasts about 1 year. Most patients need 1-2 syringes. Regularly \$550 per syringe, sale price \$400 each.

Voluma – filler used to contour and lift the cheek and jawline. Lasts about 2 years. Most people need 2-4 syringes for adequate correction due to age-related changes. Regularly \$800 per syringe, sale price \$600 each.

Volbella – filler used for mild-moderate vertical lines around the mouth or “smokers lines”. This filler lasts about 12 months. Most people need 1-2 syringes. \$650 per syringe, sale price \$500

Vollure – filler used for smile/laugh lines (around mouth). Lasts 1.5 years. Most people need 1-2 syringes. Regularly \$650 per syringe, sale price \$500 each.

Botox – a protein that is injected to relax muscle movement and soften lines on the forehead, frown area, and around eyes. Results last for 3-4 months. Most patients need 40-50 units for all three areas. Regularly \$14 per unit, sale price \$10 per unit (up to 150 units can be purchased).

Hydracial – a no-downtime, comfortable procedure used to deep clean, exfoliate, brighten, and hydrate the skin. Best results if done monthly for 6 months and then maintenance treatments less frequently. Regularly \$175 each, sale price 5 for \$725. Add a booster serum to the treatment for enhanced results. Regularly \$80, sale price \$50 per treatment.

PCA Peels - completely customizable peels that provide exfoliation, brightening and tightening of the skin. Downtime varies with customized ‘recipe’. Best results if done monthly for 6 months and then maintenance treatments thereafter. Regularly \$125 each, sale price \$99 for one or \$285 for three.

Microneedling- utilizes small needles to stimulate new collagen and minimize pores, improve texture and hyperpigmentation, diminish fine lines/wrinkles and acne scars. Can be done on face, neck or body. Best results if done monthly for either 3 or 5 treatments. Regularly \$300 for the face, sale price \$250 each or \$675 for three.

Microneedling with PRP- same as above but uses your own growth factors (via plasma collected through blood draw in the office) to enhance results. Sale price \$450 for one, or \$1200 for three.

Coolsculpting- non-surgical permanent fat reduction works by freezing the fat cells using an applicator that suctions to the fat pocket. Can be used on the neck, arms, trunk, legs if a candidate (need a consultation with Kim). Treatment plans are tailored to each patient. Most patients treat each area twice. Sale price \$500 for each applicator, or 10 applicators for \$3990.

Don't know what you need, place a \$500 non refundable deposit and we will hold Ladies Night pricing until 12/31/22 on all services.
